New Delhi, 16th September, 2021: IRCTC the premier hospitality and tourism company of the country is all set to open a new world class Executive Lounge at New Delhi Railway Station for offering an enhanced travel experience to the rail passengers.

The new Executive lounge has been set up on first floor of Platform No.1 of New Delhi Railway Station towards Paharganj side. This is the second executive lounge that will be dedicated to the service of the nation by the company after the first executive lounge that has been already in operation since 2016 on ground and mezzanine floor at Platform No. 16. IRCTC is already operating executive lounges at railway stations at Agra, Jaipur, Sealdah, Ahmedabad and Madurai.

The new state-of-art executive lounge at New Delhi Railway aims to provide all services and facilities required for comfortable wait for the passengers during pre-departures and post arrivals. The lounge has been designed on the looks of airport lounges with much more space and serene environment. A new capsule elevator has been installed for facilitating the entry of the passengers to the executive lounge at platform No.1.

The new executive lounge will be offering the visitors with a wide range of complimentary and paid services such as channel music, wi-fi internet connection, TV, train information display, hot and soft beverages, multi-cuisine buffets, recliners, spacious luggage racks, restrooms with wash and change facilities, show shiners, newspapers and magazines on display and a fully operational business centre with computer, printer, Photostat and fax facility.

IRCTC is offering access to the passengers to the newly commissioned executive lounge with a nominal entry charges of Rs 150/- plus taxes for an hour and Rs 99/- for each extra hour of stay. The lounge will be operational 24x7 and the entry charges will include a host of services such as comfortable seating facilities, Wi-Fi internet facility, retailing of books & magazines, complimentary
